

Policy Manual for the Board of Directors Illinois Society of Orthodontists -4/21/09

Mission Statement of the Board of Directors

The Board of Directors (the Board) strives to advance the quality of orthodontics in the state of Illinois by providing the highest level of continuing education to its society members. The Board serves to develop leadership, promote public relations, and establish policy for the Illinois Society of Orthodontists (ISO).

The Board of Directors Membership

The Board of Directors consists of the Officers, Trustees and ex-officio members. These board members shall be active members of the Illinois Society of Orthodontists. The Officers of the Board are elected to a one-year term. The Trustees are elected to two-year term with a limit of eight consecutive years. The non-voting members of the Board (ex-officio) are appointed. In the event of a vacancy of a board member, the President shall appoint an active member to fill such vacancy until a successor is elected. A successor is elected at the ensuing General Assembly for the remainder of the term.

Board Meeting Times/Locations

Committees

The Board of Directors shall annually determine the standing committees of the Illinois Society of Orthodontists. The purpose of the committees is advisory. Committee authority is limited to study and recommendation within the organizational structure of the Illinois Society of Orthodontists. This includes authority to seek information pertinent to such studies from any source outside the Society within the guidelines established by the Board of Directors. No outside person may participate directly or by observation in any committee deliberations without specific authorization by the Board of Directors. No committee or member of a committee may communicate with any outside person, organization, or agency, in such a way as to imply authority to represent the Society or present a Society position without direction from the Board of Directors. Committee members must be members of the Illinois Society of Orthodontists. Nominations for membership of all committees (with exception of the Nomination Committee and the Executive Committee) are presented by the Board of Directors. The term of tenure of a committee member is two years. The consecutive tenure of a committee member shall not exceed eight years. Committee chairs shall be appointed as outlined in this manual. A majority of the members of any committee shall constitute a quorum. Through the use of unanimous written consent, any committee may take action without convening a meeting. The standing committees and committee responsibilities are as follows:

1. Nomination Committee- The Immediate Past President serves as Chair of this committee. Members of the Nomination Committee are the two most recent Past Presidents and President-Elect. This committee is responsible for submitting a list of candidates to fill the positions of the Officers and any open Trustee positions. The Nomination Committee is also responsible for submitting for Board consideration, the names of the candidates for all other committees and to establish a list of candidates interested in serving on other ISO, MSO and AAO leadership positions. The Officer/Trustee nominations must be submitted to the Board at ISO's second to the last meeting (usually December) for Board approval and announcement at this meeting's luncheon. By bylaws this must be at least 21 days in advance of the final meeting where election and installation will be held at the final luncheon program.

The nominating committee should present the next year's incoming Secretary-Treasurer nomination (i.e. 2011-2012's Secretary-Treasurer nominee determined in April 2010) at the year prior's last business meeting (usually April) for Board approval so the incoming Secretary-Treasurer to be can "shadow" the year prior to election for an easier transition.

The nominating committee shall also present to the Board of Directors a list of educators as nominees for consideration for ISO Teacher Award by the second program year meeting. The committee is also responsible for ordering and purchasing the plaque to be presented at the final program of the year. If recipient cannot attend this meeting, the presentation may be rescheduled for another meeting. Plaques are presented to Trustees leaving the Board at the final program of the year. This committee is also responsible for getting these plaques and having at this meeting.

Members of the Executive Committee are the President, the President-Elect, the Vice-President, the Secretary-Treasurer and the Immediate Past President. This committee shall have the power to act for the full Board of Directors in the interim between Board sessions. It shall report such actions to the Board of Directors at its next meeting.

3. Communications and Public Relations Committee - The Vice President serves as Chair of this committee. The purpose of the committee is to promote and communicate activities of the Illinois Society of Orthodontists through the various forms of media. The committee shall also look at the regional and national activities and try to incorporate and coordinate their activities with the activities of the Illinois Society of Orthodontists. Announcements regarding new Officers/Trustees to the ISO should be sent out to the MSO newsletter, ISDS newsletter, CDS Review, AAO Newsletter and AJO/DO. Select a volunteer to serve as ISO photographer. ISO has a Web site registered as www.isortho.org. The Vice President as chair is responsible for overseeing the development and maintenance of the ISO Web site through the ISO staff (4/07 motion to have Web site hosted by the AAO). The committee is responsible for sending out an orthodontic career brochure each summer to Illinois high school counselors.

4. Bylaws and Policy Manual Review Committee - The Secretary/Treasurer serves as Chair of this committee. This committee is charged with reviewing the Bylaws and Policy Manual. These updates shall be presented to the Board of Directors as needed. The committee is responsible for providing the Executive Director with updated revisions of the policies of the Illinois Society of Orthodontists and its Board of Directors.

5. Specialty Relations/Legislation Committee- The Illinois Dental Society Liaison and the CDS Liaison are co-chairs of this committee. This committee is charged with tracking issues regarding Illinois Dental Public Relations and coordinate information for the DENT-IL PAC. This committee will track and coordinate activities with the Illinois State Dental Society and Chicago Dental Society.

6. Special Finance Committee - A finance committee was created by the Board March 2002 to be composed of the Executive Committee with the Secretary/Treasurer serving as committee chair. As a motion of April, 2007, the committee will meet at least once a year and conduct remaining business electronically as needed. Additional meetings and contacts may be arranged as needed. The charge of this committee is to: 1) develop a financial policy to guide the Board in the investment of our saving/liquid assets; 2) periodically review ISO account balances and the performance of investments; and 3) help the President-Elect develop the budget for his presidential year.

7. Continuing Education Committee – Responsible for reporting to the Board on future program/speaker and topic selections. Committee consists of President-Elect and Vice President serving as co-chairs, Secretary-Treasurer and three senior Trustees.

Fiscal Policy

The fiscal year for Illinois Society of Orthodontists shall begin July 1 and end June 30 of the following calendar year (4/04). The general fund shall consist of monies received. This fund shall be used to meet all expenses incurred by the Illinois Society of Orthodontists. The general fund may be divided into operating funds and reserves at the discretion of the Board of Directors. The Secretary-Treasurer will hold in reserves, the amount equivalent to one year's operational expenses. These monies shall be placed in staggered certificate of deposit accounts. The proposed budget for each ensuing fiscal year shall be prepared by the special finance committee and adopted by the Board of Directors.

All accounts of the Illinois Society of Orthodontists shall be reviewed by an independent certified public accountant annually, and a report of such review shall be submitted to the Board of Directors. In addition, the Secretary-Treasurer designate will periodically review the accounts. Signatures on all money market, CDs and investments shall be the current ISO President and Secretary-Treasurer.

Policy for Program Speakers

Program speakers are currently selected by that year's president and approved by the Board of Directors. The time of selection is at least one year prior to their presidential term (except CDS needed 22 months prior). The Board of Directors shall approve the names of the speakers and the financial arrangements prior to the speaker's engagement. The ISO office will confirm in writing all agreed speaker arrangements at the time of contracting and again in the spring prior to the program year's beginning.

The following statement must be read at the time of introduction of guest speakers with a financial interest in their presentation: *"This participant has financial and/or beneficial interest in a product or service related to his/her presentation."*

Speakers are obligated to disclose the use of photographs, computer images, radiographic images or other visual images that have been enhanced, modified or altered in their presentation. Disclaimers are printed in the directory.

The following disclaimer should be included in each ISO program: *The Illinois Society of Orthodontists does not review or approve of, or necessarily agree with the topics, speakers and presentations set forth in this program. As such, by virtue of your attendance at this program, you acknowledge that any and all actions taken by you based upon such topics, speakers and presentations are undertaken by you at your own risk, and you further agree to hold the ISO harmless from any and all liability in relation to the same. The ISO encourages you to make your own independent judgment as to the topics, speakers and presentations, and to rely on the advice of professionals, as appropriate, in making decisions in relation thereto.*

Speaker agreements should clarify that the sale of books/tapes during lectures is prohibited unless prior authorization is granted by the full ISO Board.

Policy on Continuing Education Certificates

A letter summarizing CEU credit and verifying attendance at the program year's meeting(s) is mailed to each ISO member attending at the end of the ISO season. Nonmember guest attendees (i.e., joint meeting with general dentists, staff, periodontists or other specialties) receive their CE certificates with their name badge at registration onsite. "No show" badges should be returned by the onsite ISO registration staff to ISO office to assist in attendance tracking.

Policy on Advertising in CDS

The ISO Board has approved up to \$1,500 for an ad if needed with CDS. (3/06)

Policies on Contributions by the Illinois Society of Orthodontists – Secretary of State Registration

1. The Illinois Society of Orthodontists is not permitted by law to contribute to the AAO PAC.
2. The Board has approved contributing to the DENTIL-PAC (\$2,000 annually approved 10/00 Board meeting) The Board asks that an ISO leader be present at the spring ISDS meeting to personally present the check.
3. ISO has agreed to continue to sponsor an event at the ISDS Annual Session for \$1,500. (10/22/07)
4. ISO sponsors a speaker at the Chicago Dental Society Mid-Winter Meeting annually.
5. The Board has approved contributing to the American Association of Orthodontists Foundation AAOF (\$1,000 in the past). This check is normally presented when AAOF attends the ISO Meeting.
6. The ISO made a contribution in the past to the Graduate Orthodontic Residents Program (\$1,250 approved 10/00) when the U of IL was involved.
7. ISO will sponsor a chair at the UIC Orthodontic Department for \$25,000 to be paid at \$5,000 annually (normally last program year meeting) for five years with final year payment being 2011 (11/06).
8. Ensure that the annual Secretary of State filing fee is paid (currently around \$5) to keep ISO's incorporation status current. The bill with paper to be completed for annual renewal is sent to the director to the MSO (Marshall transferring records with state for statement to go to Goshgarian 4/09.)

Policy on Non-AAO Member Dental Students' Meeting Rates

A nominal fee, which is currently \$30.00, to cover the cost of lunch is to be charged any non-AAO member dental student.

Policy on Combined Meetings

When there is a joint meeting, ISO and the other dental specialist organization shall split the speaker honorariums, travel and accommodation expenses 50-50 with a flat amount being determined prior to the final advance agreement being made in writing with the other association. This pre-arranged fee shall be paid in full prior to the meeting registration being sent out. All underwriting and registration receipts, along with expenses and arrangements for the joint meeting are solely the responsibility of ISO. The co-sponsoring specialty organization shall provide their member data for the mailing so that it goes out at the same time as the mailing to ISO members for equal sign-up opportunity. Co-sponsoring specialty members, and their staffs, are offered the member rate for meeting attendance. (3/06)

The November, 2003 joint meeting with the Illinois Society of Periodontists was co-sponsored by ISOP as they donated \$2,500 to offset the costs of meetings' speaker and additional mailing and registration services for their members.

Policy for Corporate Sponsorship

The President-Elect when planning their program year has the right to supplement his/her speaker budget for the presidential program through corporate sponsorship. The Board of Directors may choose at any time to temporarily waive sponsorships of individual meetings and/or entire program years based on the budgetary needs. The Board of Directors may in its sole and absolute discretion, refuse to allow a particular entity or individual from sponsoring any meeting for any reason and shall not be required to provide a reason to such entity or individual. Corporate sponsors may not dictate program speakers or content. Corporate sponsors should be monitored and encouraged to support orthodontics affiliated with the AAO at all levels: component, constituent and national.

The minimum amount to be a full sponsor of a program is \$6,000. If ISO does not get an exclusive sponsor for \$6,000, the incoming President has the authority to negotiate two **non-competing** co-underwriters for \$4,000 each if they mutually agree. The co-sponsors would have the same benefits. (3/06)

Full and co-sponsors will receive a full page in the ISO roster. For nontraditional, combined meetings with higher honorariums or outside attendees, the Board of Directors may adjust the requirements for sponsorship. A table may be placed with a limited number of attendants at the table outside the meeting room for that meetings' corporate sponsor(s).

CDS has revised their policy for sponsorships so the ISO officer seeking a speaker for their program should check with CDS if a sponsor is considered to be sure it falls within the current CDS sponsorship policies. The board should vote on acceptance of corporate sponsors as well as the funds to the ISO (9/08).

Sponsorship Process with President-Elect and ISO Office

The ISO Board prefers the speakers/topics be set first before underwriters are confirmed in order to ensure educational quality. Past sponsors should get the first opportunity for consideration in future opportunities.

The office will forward any requests received from potential underwriters to the President-Elect prior so the President-Elect can coordinate speaker assignment with sponsors. The finalized list should be presented to the Board for approval at the second Board meeting or by separate vote if additions/changes later.

When approved, the ISO office will invoice the sponsors and remind them of ad copy deadline for the summer directory. Information needed from the President-Elect includes:

- Contact name, phone and email of person within company who the President-Elect had confirmed arrangements to send confirmation letter and invoice
- Speaker/program assigned to each underwriter
- Any other unique arrangements negotiated
- Amount agreed (note if this is to be billed for a check payable to ISO or if this is an in-kind trade out of speaker and expenses paid directly by sponsor)

The sponsors will be announced to the membership along with the next year's program speakers at the last ISO meeting of the President-Elect year. The ISO office will send each sponsor a copy of the directory and other printed materials released to the membership regarding their meeting underwriting. The ISO office will follow-up to obtain payment, ad copy, the sponsor's display table and personnel registrations.

At the program, the president should acknowledge their staff onsite at the meeting and make a personal note of thanks to the sponsors after the meeting.

Policy for ISO Meeting Dates

ISO should pursue three annual educational programs, in addition to providing a speaker at the Chicago Dental Society Mid-Winter Meeting: a fall, December or January and a spring meeting date. (02) The ISO board has approved two total lecture seminars for the 2010 – 2011 program year in order for ISO to support the AAO Annual Session held in Chicago in May 2011. (4/09)

ISO Past Presidents' Dinner

The Board authorized Past President Marshall to coordinate on a volunteer-basis a past presidents' dinner for current Board members, past presidents and other selected leaders to share ideas and direction on the future of ISO and the specialty as needed.

Peer Review To Appropriate Bodies

ISO members and leaders should refer peer review issues to the appropriate bodies.

EQUAL EMPLOYMENT OPPORTUNITY POLICY

It is the policy of the Illinois Society of Orthodontists (ISO) to provide equal employment opportunity to qualified candidates without regard to race, color, religion, creed, national origin, sex, age, sexual orientation, marital status, disability, or any other legally protected characteristic. This policy extends to all areas of employment, including recruitment, selection and placement, compensation, promotion and transfer, disciplinary measures, demotion, layoffs and terminations, testing and training, working conditions, awards and benefits, and all other employment-related actions.

The ISO likewise seeks to provide a work place environment free of hazards and unproductive or unpleasant conditions. The ISO expects all of its employees to treat each other, its members, agents and the public with respect and courtesy. No form of harassment—sexual or otherwise—will be tolerated.

Employment is at the will of both the ISO and you, the employee, and no promise is made or implied in this Personnel Policies and Procedures Manual or otherwise as to any specified employment terms. Likewise both the ISO and you are free to terminate employment at will. No promise is made or implied that you may not be terminated for reasons that are not specified herein, or that you can be terminated only under the circumstances specified herein. No one is authorized to offer, represent or suggest that the policy of the ISO is otherwise and no claim of having been told, assured, or lead to understand otherwise will be accepted. The ISO may from time to time enter into individual specific written employment agreements signed by the President at its sole discretion.

SEXUAL HARASSMENT AND FRATERNIZATION

SEXUAL HARASSMENT

It is the policy of the Illinois Society of Orthodontists that all employees and members should enjoy an environment free from unlawful harassment. The Society is committed to maintaining a pleasant, professional work environment, and behavior that could be perceived as sexual harassment is prohibited. This policy prohibits unlawful harassment in any form, including sexual harassment, unlawful harassment relating to race, color, age, ethnicity, religion and disability or any other legally protected characteristic.

Sexual harassment has no place at the ISO, and will not be tolerated. Sexual harassment includes unwelcome sexual advances, requests for sexual acts or favors, unsolicited and intimidating sexual overtures or other verbal or physical conduct of a sexual nature when (a) submission or rejection of such conduct is a term or condition of employment or is a basis for employment decisions or (b) such conduct interferes with an individual's work performance, or (c) the conduct creates an offensive or intimidating work environment.

Harassment can include, but is not limited to, the following behavior:

Verbal conduct such as sexual innuendo, sexually suggestive “kidding” or “teasing,” jokes about gender-specific traits, unwanted sexual overtures or comments, inquiries or discussions concerning one’s sexual experiences, comments about an individual’s body;

Visual conduct such as derogatory and/or sexually oriented posters, photography, cartoons, drawings, e-mails or gestures;

Physical conduct such as unwanted touching, intentional brushing against the body;

Threats or demands to submit to sexual requests as a condition of continued employment or to avoid loss of benefits, or offers of benefits in return for sexual favors; and

Retaliation for having reported or threatened to report harassment.

Whenever possible, any person who is experiencing unwelcome conduct of the type generally described above should inform the person engaging in the conduct that it is unwelcome and request that it stop.

All members, especially those in leadership position, are warned not to engage in such conduct in connection with the performance of the ISO activities. This includes the member’s relationships with ISO staff, as well as any one that the member encounters as part of his/her ISO responsibilities, e.g. other members and staff of other associations, exhibitors, vendors, etc.).

Member leaders are urged to remember that their positions carry authority and that it may be difficult for an employee to differentiate between a request that must be addressed as part of their assigned duties and personal requests.

Any person who believes that he/she has been unlawfully harassed by a member, co-worker, supervisor or other business visitor of the ISO, or who has witnessed such harassment, is strongly encouraged to report the facts of the incident or incidents to the President. The ISO can only resolve matters brought to its attention; accordingly, the ISO encourages all persons to come forward with information about allegations of unlawful harassment. Retaliation for making a complaint or cooperating with an investigation of alleged harassment is strictly prohibited. In the event of a conflict of interest or in the absence of the President, the information may be reported to the General Counsel. All complaints will be addressed promptly, and confidentiality will be maintained to the extent possible. The complainant may be required to submit the complaint in writing. No adverse or retaliatory action will be taken against an employee, member or member leader for filing a complaint. Complaints will be investigated in a fair and impartial manner and the complainant and the person complained about will be informed of the result of the investigation although not necessarily the specific action taken. In the event it is determined that the complaint has merit, appropriate action (up to and including termination) will be undertaken by the ISO.

FRATERNIZATION

Members of the ISO should never engage in sexual relations with ISO employees. Such conduct can adversely affect the operation and reputation of the ISO.
